Re: No 3-05CV0.800-R; GW Equity et. al. v PBS Global, Inc. et. al.

Ms. Steele/Ms. Shockey:

Please be advised Plaintiffs are opposed to your clients Motion to Enlarge Time to Answer. My paralegal Traci requested a fax copy of the Motion. I have just now received it and have learned of numerous misstatements in your motion. You and Ms. Shockey spoke to Mr. Hartsfield about the motion at which time he advised you that while he had no personal opposition to the motion, he would have to check with me as the partner on the file. I have reviewed the motion and consulted with my client and they are and remain, opposed. Please correct your erroneous filing with the court as you may have inadvertently misrepresented my client's position with regard to the motion.

Please advise if you intend to update the court with an accurate statement as to my client's opposition. If I do not hear back from you by the close of business today, I will assume that you do not wish to correct this erroneous filing and will update the court accordingly.

Very truly yours,
